Miss Becky Kolb

Dedication

"Life has loveliness to sell -
All beautiful and splendid things."
- Sara Teasdale

This year the 1974 Hawk Staff wishes to honor a lady who has captivated the hearts and minds of many. She is always ready to go that extra mile in order to gain a friend. Her smile is like an eternal flame which never seems to fade and her sense of humor is equally as warm. So it is with sincere admiration and deep affection we dedicate the 1974 Hawk to . . .

Office Staff

Mrs. Emily Crabtree

Mrs. Mickie Webb

A large part of the school's work rests on the shoulders of two people. The school secretaries, Mrs. Webb and Mrs. Crabtree, carry on the business smoothly. They are ably assisted by the office girls who run many errands. The office girls and secretaries are an essential part of South Side.

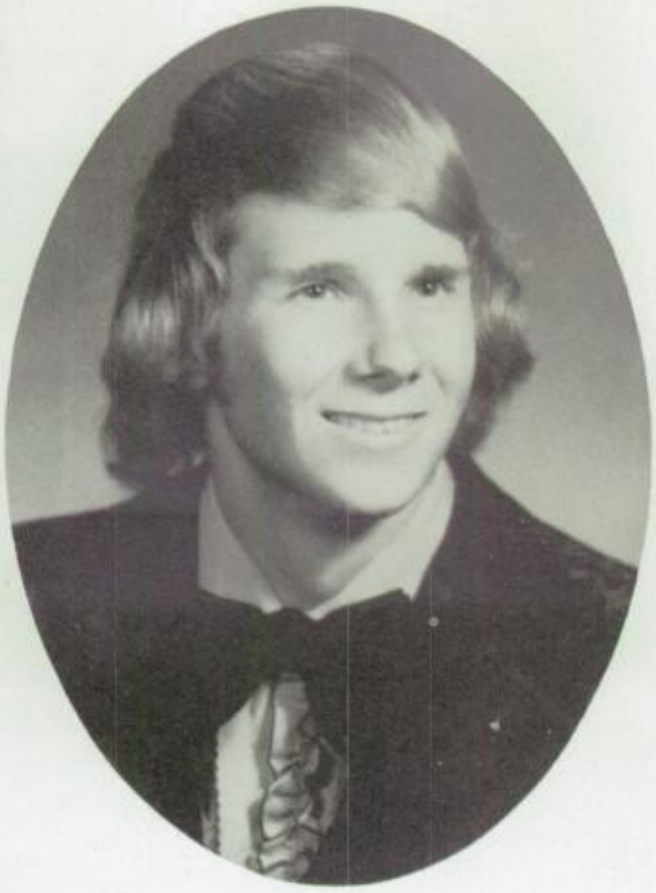
Seniors



Jeff King Allen

The 1973-74 school year slowly began for a class of Seniors who were determined to make this year one to remember. The realization that this really was their last year brought mixed emotions. Senior pictures, ordering invitations, the magazine sale, the senior banquet and dance took up most of their time. The anticipation of the challenging future brought excitement, while the thoughts of leaving old friends brought sadness. Once again another year is ending as rapidly as it began and the Seniors, as young adults, are ready for a new challenge.

"The Road Not Taken"

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I -
I took the one less traveled by
And that has made all the difference.

- Robert Frost

For each of us
there is a beginning
and an end.

The 1974 HAWK staff has worked hard in order to capture each reflection of the past year. We hope that each person will see among these pages this stage of their life and will find the part in life that they themselves want to play. We hope that you will see this past year as a beginning, not an end.

Always remember, you get out of life what you put into it.
